### *tri.x customers*

We have added a link to the top of your procedures to our new standalone website 'tri.x Resource Coronavirus (COVID-19)'. Here we have developed 2 resources for Adult Services; 'Implementation of Easements' and 'Maintaining the Care Act'. The resource that is applicable to you will depend on your local circumstances and any decisions made about implementing easements.

### tri.x Procedures

Our procedure customers can be reassured that at tri.x it is business as usual, with no impact expected on update schedules. Practitioners working from home or that do not have access to your organisations systems can still access the procedures, as long as they have internet access. Remember that the News Area can be a helpful way to share information and updates quickly with procedure users.

If you are not yet a procedures customer and would like to know more about working with tri.x you can find further information or watch a video demonstration [here](#).

### Reconstruct Training

Reconstruct training are able to provide all of their extensive training portfolio virtually and continue to welcome new enquiries.

### Carter Brown Expert Witnesses

Given that the Courts and Local Authorities remain open, it is business as usual for Carter Brown. We are still accepting new referrals and exploring with customers the best way to undertake assessments, utilising communication tools such as Skype wherever possible.
